

WISH I WAS A KID.

Golly! Don't I wish that I could go back to days gone by! Wish that I could lie awake thinking Santa Claus no fake, Peeking, peering, through the dim little light we'd left for him! Cannot do it now, folk say Only kids do "that-away." Christmas time my stocking's hid,— How I wish I was a kid!

A DANDY MASCOT.

The Ashland Independent has the following of one of the bright children of Mr. and Mrs. Ben B. Poyntz: "Charlie Poyntz, the mascot for the High School girls' basket ball team of Maysville, is the most popular little guest that has been in Ashland recently. It is not so much wonder that this team met with such luck, with such a mascot. He is not only a bright child, but an exceptionally handsome boy. He was very popular with all the children, and said he had a better time than anybody, and thought Ashland a fine place. He was entertained at the beautiful home of Colonel and Mrs. T. A. Field on West Winchester avenue."

WORTH WEIGHT IN GOLD

Lady Learned About Cardui, The Woman's Tonic and is Now Enthusiastic in its Praise.

Mount Pleasant, Tenn.—"Cardui is all you claim for it, and more," writes Mrs. M. E. Rail, of this place.

"I was a great sufferer for 2 years and was very weak, but I learned about Cardui, and decided to try it. Now I am in perfect health.

"My daughter, when changing into womanhood, got in very bad health. I gave her Cardui and now she enjoys good health.

"Cardui is worth its weight in gold. I recommend it for young and old."

Being composed exclusively of harmless vegetable ingredients, with a mild and gentle medicinal action, Cardui is the best medicine for weak, sick girls and women.

It has no harsh, powerful, near-poisonous action, like some of the strong minerals and drugs, but helps nature to perform a cure in a natural easy way.

Try Cardui.

Free Sample Aids Old Men

The sudden change from years of activity of both body and mind to the quiet of later years causes the human system to undergo many changes, chief of which is in the digestive organs.

It becomes harder and harder to get the bowels to move promptly and regularly and in consequence many elderly men suffer not only from the basic trouble, constipation, but from indigestion, headache, belching, sour stomach, drowsiness after eating and similar annoyances. It is first of all necessary to keep the bowels open and then to tone the digestive muscles so as to get them to again do their work naturally. A violent cathartic or purgative is not only unnecessary but harmful, and something mild will do the work just as well.

After you have got through experimenting with salts and pills and waters of various kinds, and have become convinced that they do only temporary good at best, then try Dr. Caldwell's Syrup Pepsin, a mild, gentle, pleasant-tasting laxative tonic that is especially adapted to the requirements of old people, women and children, and yet is effective enough for anybody. Your druggist, who has handled it successfully for a quarter of a century, will tell you a bottle for fifty cents or one dollar, but if you want to make a test of it before spending any money send your name and address to Dr. Caldwell and he will gladly send you a sample bottle free of charge.

This remedy is rapidly displacing all other forms of medication for the cure of stomach, liver and bowel trouble, and families like Mr. O. F. Wisner's of Byamore, Ill., and Mrs. Carrie Culler's of 325 N. Notre Dame street, South Bend, Ind., are now never without it in the house. They have tested it and know its grand value to every member of the family.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For further request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

Tobacco Growers, Attention!

Although the recent cold snap curtailed the receipts somewhat, yet the Farmers' House disposed of
almost 300,000 pounds leaf tobacco for week ending December 11th, 1909. The market showed marked
strength, especially on the low grades. The better ones also made improvement. The average for the week
shows 10 per pound better than last. The desire on the part of the buyers for tobacco made the sales very
active and the bidding spirited. Some prices obtained for the week:

H. T. Hord—9c, 14c, 15c, 16c, 17c.
A. B. Baxter—10c, 12c, 13c, 14c, 15c, 16c.
M. S. Higg—10c, 12c, 14c, 15c, 16c, 17c.
George Garrett—12c, 14c, 15c, 16c, 17c.
W. M. Sammons—13c, 14c, 15c, 16c, 17c, 18c.
James Hensley—12c, 14c, 15c, 16c, 17c, 18c.
Owens & Waggle—11c, 13c, 14c, 15c, 16c, 17c.
Sherman Himes—10c, 12c, 13c, 14c, 15c, 16c.

Weather permitting, we expect heavy sales the coming week, with active market and
prices of last. Get your tobacco ready and let us get the high prices for you. Young

A HELPING HAND.

Is Gladly Extended By a Maysville Citizen.

There are many enthusiastic citizens in Maysville prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. John E. Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly to day as when I gave a statement in their favor some years ago. I was subject to frequent attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The quick and decided relief I obtained from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any serious attack."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

"A New York woman has a hen that has laid 130 eggs in sixty odd days," says an exchange. That hen doesn't lay—she lies.

NEVER BEGIN

Young man, beware of the first oath and the first vulgar utterance, the first cigarette, the first glass of wine, the first glass of beer, the first mingling with evil companions. You may think you are strong enough to indulge in these and break away from them at your will, but you never made a greater mistake in all your life. Each one is like an octopus. They will gradually wind their arms around you and death is the only thing strong enough to tear you from their deadly embrace.

DARK DAYS and LIGHT NIGHTS!

The "melancholy days" may be here, but, thanks to modern illumination, they are more than offset by the joyous nights. Darkness now is only a setting which brings out more strongly by contrast the glories of light. If the day gets too gloomy, we turn a switch or pull a cord and instantly our office, home or store becomes as brilliant as June sunshine.

ROYAL BLUE

For Laundry Use.

Is a very high grade of Bluing and specially prepared with the utmost care. Gives clothes a bright, fresh blue, with a beautiful lustre. It does in no way attack the clothes, as these cheap, inferior grades do. Many of the finest laundries throughout the country use this bluing daily with perfect satisfaction. You will like it. One-ten-cent powder, put into a quart of clear fresh water, will make you as much excellent bluing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent blue ink by dissolving the powder in half pint of water. Prepared by
